

Melanie McFarlane

Melanie McFarlane is the Litigation Paralegal at Goldstein Hall. She is responsible for aiding mainly the litigation team and the office manager with a variety of tasks.

Prior to joining Goldstein Hall, Melanie was a recent college graduate who during her studies, volunteered time at a 501(c)(3) not-for-profit farm helping to organize events and build both public and school owned community garden spaces. Students also had the opportunity to visit the property in-person for tours and experience first-hand what goes into the growing process, and the joys of producing one's own food source.
